Industry Council To Meet

Two teachers from Volunteers in America who are teaching in the area this year will speak at a meeting of the South Bay-Harbor Industry-Education Council to be held at noon tomorrow at the Indian Village Restaurant.

Speakers will be Miss Margarita Lange of Buenos Aires, Argentina, and Felix Boateng of Ghana.

A \$25 savings bond will be presented to Craig Nuemayer of Rolling Hills High School, winner of a contest to design an insignia for the council.

A local affiliate of the Industry-Education Council of Southern California, the South Bay-Harbor chapter is dedicated to promotion and encouragement of communication and cooperation between industry and schools. The organization's goal is to assist continuing development and improvement of educational programs which have direct or indirect relations with industry.

Persons desiring to make luncheon reservations are invited to contact Sister Constance Dooley at Marymount College.

Housewife Collapses In Kitchen

A 44-year-old Torrance housewife died of an apparent heart attack Saturday morning while preparing breakfast.

Pronounced dead shortly after 6 a.m. at Little Company of Mary Hospital was Mrs. Jean Ellen Beemer of 22804 Avis St.

The victim's husband, James E. Beemer, told police his wife had gotten up about 5 a.m. At about 5:30 a.m., he said he heard her fall to the floor in the kitchen.

Beemer said he began to administer mouth-to-mouth resuscitation until his wife's breathing returned and then called an ambulance. He said she had complained of chest pains for three days prior to the collapse.
